

2007 marks the fortieth anniversary of the war the West terms "The Six Day War". The Arabs call it the "1967 War" or an-Naksah (The Setback).

Turn back the clock, get a flavour of what it was like to be in Israel at the time, living with the tensions involved with a countdown to what Israel's opponents suggested would be annihilation.

Background information from a wide variety of sources gives a deeper understanding of how circumstances developed over the weeks and months leading up to the war.

"Great site. I wish you the best of success with this worthy project."

- Michael Oren - historian & research fellow

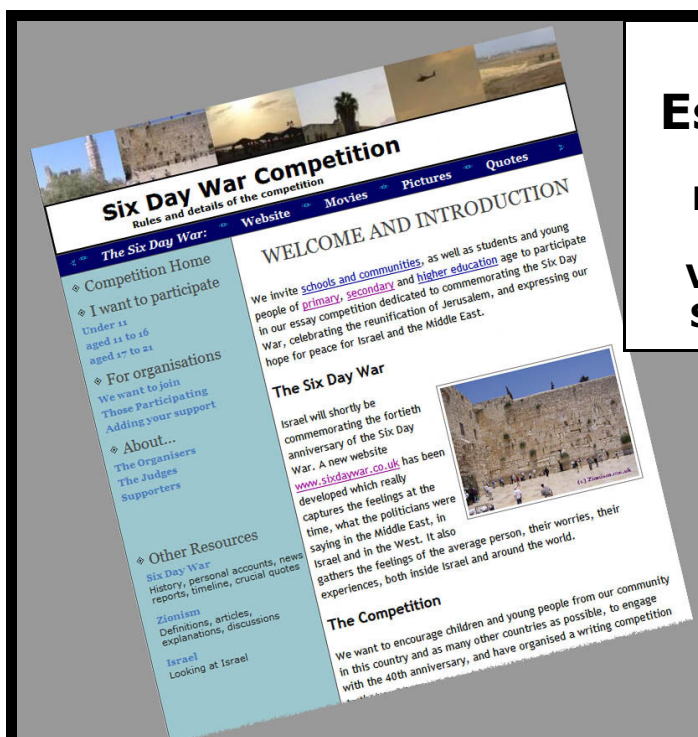

"All good wishes for your site."

- Professor Sir Martin Gilbert, CBE, historian and author
